

SPEC SHEET

18 In. 3.2 Cu. Ft. Glass-Door Beverage Refrigerator with a 119-Can Capacity and Stainless-Steel Trim

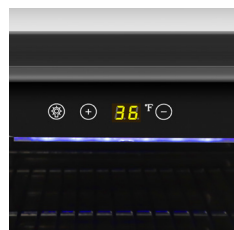

Model: KM-BR32SS

FEATURES

- **Sleek Black Finish with Stainless Steel Trim:** The unit features a sleek black exterior finish, complemented by a stainless-steel trim on the door, adding a touch of sophistication and durability to the unit.
- **Generous Storage Capacity:** With a 3.2 cu. ft. interior, this fridge can hold up to 119 cans, making it perfect for a wide range of beverages, including sodas, beers, and wines, ideal for both personal and professional use.
- **Blue LED Interior Lighting:** The interior is lit with blue LED lights, enhancing the visibility of your beverages while creating an attractive display, making it easy to find and select drinks even in low light.
- **Digital Temperature Control:** The digital control panel offers precise temperature settings, maintaining optimal cooling conditions between 37-61°F, ensuring beverages are always served at the perfect temperature.
- **Adjustable Metal Wire Shelves:** Equipped with four adjustable metal wire shelves, this unit allows for flexible storage configurations, accommodating various sizes of bottles and cans, optimizing space use.
- **Reversible Door:** The swing door can be configured to open from either side, providing flexibility in placement and installation to suit different space requirements and user preferences.
- **Quiet Operation:** Operating at a noise level of just 43 dB, this refrigerator is designed to be quiet, making it suitable for environments where noise sensitivity is important, such as offices or living rooms.
