

SPEC SHEET

24 Cu. Ft. Commercial Beverage Merchandiser with Sliding Glass Doors in Black

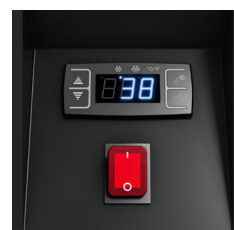

Model: KM-CDA-SL24C

FEATURES

- **Large 24 Cu. Ft. Capacity:** Designed to handle busy retail environments, this unit holds up to 400 cans (12 oz.) or 280 bottles (16 oz.), providing ample space to keep beverages fully stocked and visible.
- **Sliding Double Glass Doors for Space Efficiency:** Dual sliding tempered glass doors allow easy customer access while saving space, making it ideal for aisles and high-traffic areas.
- **Bright LED Lighting Throughout the Interior:** Features LED lighting on the top and under each shelf, ensuring products are evenly illuminated for maximum visibility and an attractive display.
- **Precise Digital Temperature Control (32°F–53.6°F):** Easily adjust and monitor temperature using the exterior digital control panel to maintain optimal cooling for a variety of beverages.
- **Ventilated Cooling System for Even Airflow:** Fan-assisted cooling distributes cold air evenly throughout the cabinet, ensuring consistent temperatures across all shelves.
- **Durable Adjustable Shelving with High Load Capacity:** Includes four adjustable painted steel shelves, each supporting up to 44 lbs., allowing flexible organization for different product sizes.
- **Smooth Mobility with Locking Casters:** Equipped with four casters, including two locking wheels, making it easy to move and securely position the unit where needed.
