

SPEC SHEET

24 In. Built-In Microwave Drawer with Air Fry, Sensor Cooking, Touch Controls and Stainless-Steel Interior, 1.2 Cu. Ft.

Model: KM-MD-1AFSS

FEATURES

- **Multi-Function Cooking with Air Fry Technology:** Combines microwave cooking with built-in air fry functionality, allowing you to reheat, cook, and crisp foods with less oil for healthier results.
- **1.2 Cu. Ft. Capacity in a Compact Built-In Design:** Offers a spacious interior while fitting seamlessly into cabinetry, making it ideal for modern kitchens with limited counter space.
- **Intuitive Digital Touch Controls with One-Touch Operation:** Front-mounted touch panel with 7 one-touch settings and 10 power levels provides simple, precise control over cooking functions.
- **Advanced Sensor Cooking and Reheat Functions:** Built-in sensors automatically adjust cooking time and power for optimal results, ensuring food is evenly heated every time.
- **Air Fry Mode and 10 Preset Cooking Functions:** Use the dedicated air fry feature to achieve crispy results with little to no oil, while separate preset cooking functions provide convenient one-touch options for tasks like reheating, defrosting, and express cooking.
- **Durable Stainless-Steel Interior and Modern Finish:** Features a stainless-steel interior for durability and easy cleaning, paired with a sleek silver and black exterior for a contemporary look.
- **Bright Interior LED Lighting with Large Turntable:** Interior LED lighting and a 15.79" turntable provide clear visibility and even heating for larger dishes.
- **Seamless Built-In Installation with Precise Cutout Dimensions:** Designed for easy integration with front venting and a required cutout size of 23.5" D x 22.13" W x 14.81" H, eliminating the need for additional rear or side clearance.
