SPEC SHEET

26 Gallon Double Mobile Hand Wash Station with Soap and Paper Towel Dispensers, Wheels and Grab Handle

Model: KM-PHWS-ST26-W

FEATURES

- **Dual Sink 26.4-Gallon Hand Wash Station for High-Traffic Use:** Designed with two sink basins, allowing multiple users to wash hands simultaneously. Ideal for busy outdoor events and commercial environments.
- **Hands-Free Foot Pump Operation for Improved Hygiene:** Foot pedal system eliminates the need for hand contact, reducing the risk of contamination in shared environments.
- **Large Dual Tank System for Extended Operation:** Includes a 26-gallon fresh water tank and 29 gallon waste tank, minimizing downtime between refills and disposal.
- **Integrated Soap and Paper Towel Dispensers:** Built-in dispensers provide a complete, all-in-one hygiene station for convenient use.
- **Wheeled Design with Grab Handle for Easy Mobility:** Equipped with casters and an integrated handle, allowing effortless transport and repositioning across job sites or event spaces.
- **Durable, Weather-Resistant PE Construction:** Heavy-duty polyethylene body is designed for outdoor use, offering long-lasting durability and resistance to wear and environmental conditions.
- **Complete Setup with Included Faucet and Accessories:** Comes ready to use with all necessary components, including faucet and foot pump system.
- **No Plumbing Required for Quick Setup Anywhere:** Fully self-contained design allows immediate use without permanent installation.
