

SPEC SHEET

KoolMore Reserve 18 In. Panel Ready 68-Bottle Column Wine Cooler Refrigerator

Model: KM-PRC-W18

FEATURES

- **Panel-Ready Design:** Customize the front panel to match your cabinetry, seamlessly blending the wine cooler with your kitchen's decor for a polished, built-in appearance.
- **Spacious 9 Cubic Feet Capacity:** With room for up to 68 bottles, this wine cooler is ideal for both avid collectors and casual enthusiasts. It features 14 sturdy wooden shelves, each capable of holding up to 55 lbs., tailored to fit wine bottles of diverse shapes and sizes.
- **Frost-Free Cooling Technology:** Say goodbye to manual defrosting with advanced frost-free technology. The system ensures consistent temperatures between 41°F and 68°F, maintaining optimal conditions for preserving the flavor and quality of your wines over time.
- **Three-Zone LED Lighting:** Equipped with strategically placed LED lights at the top, middle, and bottom, the cooler offers customizable lighting with three color options. This enhances visibility and creates a stunning display that highlights your collection.
- **Carbon Filtration System:** A built-in carbon filtration system ensures the cooler's air remains fresh and odor-free. The air filter is positioned at the bottom of the air duct, providing effective filtration across all three zones for a clean storage environment.
- **Quiet and Efficient Operation:** Engineered for low energy consumption and minimal noise, this unit runs at just 41 dB-perfect for kitchens, dining rooms, or open living spaces where ambiance matters.
- **User-Friendly Digital Controls:** The centrally located digital thermostat allows precise temperature control in the range of 41°F to 68°F. Its intuitive interface makes monitoring and adjusting settings easy, ensuring your wines are always stored in optimal conditions.
- **Enhanced Convenience Features:** The cooler includes Sabbath mode to disable lights and alarms for observant households and a door-ajar alarm to prevent temperature fluctuations and preserve your wine's quality.
